What does it cost to setup?

Nothing, the setup is free, all we ask is that you promote us via all your social media reach and fan interaction.

Can we have our own stadium layout with the game?

Yes, you can, and it will match your seating plan exactly, we can even provide virtual expansion should your fan base exceed your venue/stadium capacity.

How do good causes benefit?

We will provide the ability for each venue/stadium to have their own lottery providing a 51% return on ticket sales.

What prizes can be won?

We provide a weekly lottery and an accumulator draw, once you purchase a Seat you will be entered into the main weekly Lottery draw and have the chance to win up to £10,000 with additional weekly bonus draws, the first bonus provides a £500 winner and then 5 other draws providing £100 winners.

In addition to the main weekly lottery prizes an accumulator game specific to the venue will run once the £1000 prize target has been reached. The frequency of the accumulator draw will depend on how many players support the main lottery game. Only current weekly lottery entries are valid for the accumulator draw with the winning seat being picked at random.
